

# *Logo Options*

For Duromat Logomat only, skip to page 3. Continue for other models:

- Click on the “Special Shapes/Misc. Options/Pricing” tab to get to the screen shown above.
- Be sure to select “Carpet Insert” on the Configuration tab.
- Click on “Single Color Logo.”

- Enter the number of additional Logo colors. Note that one logo color is already in the price. One additional color would be used to specify a logo with two colors.
- Click on one of the two logo sizes.
- Save the configuration when complete.
